it was only when the bones of the first devoured victims were discovered that the true nature and power of these swarming black creatures with their razor sharp teeth and taste for human blood began to be realised by a panic stricken city but now for the first time suddenly shockingly horribly the balance of power had shifted the effectiveness of the gruesome set pieces and brilliant finale are all its own sunday times

gothic fantasy a half rat half human character enters a strange nether world of similar creatures in a violent intelligent horror story

i was a rat so insists a scruffy boy named roger maybe it s true but what is he now a terrifying monster running wild in the sewers the daily scourge is sure of it a victim of rodent delusion the hospital nurse says yes a lucrative fairground freak he is to mr tapscrew a champion wriggler and a budding thief that s what billy thinks or just an ordinary small boy though a little ratty in his habits only three people believe this version of the story and it may take a royal intervention and a bit of magic to convince the rest of the world set against the backdrop of a royal wedding and a playful parody of the press i was a rat is a magical weaving of humor fairy tale and adventure

james herbert reigned supreme as britain s undisputed master of horror before his death in march 2013 but his legacy lives on in this fully authorised work craig cabell examines the story behind horror writing s most darkly brilliant mind for almost 40 years herbert was britain s most popular horror author with sales of over

50 million copies he carved a niche in quality bestselling fiction all of his own famous for his rats trilogy and the fog he broke away from the cut and thrust populist horror novels of the 1970s and 80s to more thought provoking works featuring the scientific reasoning behind the manifestations of the ghosts and spirits in which he truly believed books such as others once and the secret of crickley hall bear testament to his growth as a writer and his continuing desire to chill his readers craig cabell s exploration into the dark sinister world of james herbert is given incredible depth thanks to a series of over a dozen exclusive candid interviews drawing striking parallels between herbert s career and the events of his life this work sheds light on the personal demons which drove the boy from london s east end to become the pre eminent horror writer of his generation cabell a friend and confidant of herbert s until the very end shares personal correspondence and reminiscences including one of herbert s previously unpublished pieces entitles to ye all to complete a portrait of one of the most iconic authors of the 20th century prepare to be gripped by the utterly absorbing last chapter in the life of the master of chills

this encyclopedia is the most up to date concise clear and affordable guide to all aspects of science fiction from its background to generic themes and devices from authors established and new to films science fiction has evolved into one of the most popular cutting edge and exciting fiction genres with a proliferation of modern and classic authors themes and ideas movies tv series and awards arranged in an a z format and featuring a comprehensive index and cross referencing system the mammoth encyclopedia of science fiction is also the most accessible and easy to use encyclopedia of its kind currently available

the all new essays in this book respond to the question how do spaces in science fiction both built and unbuilt help shape the relationships among humans other animals and their shared environments spaces as well as a sense of place or belonging play major roles in many science fiction works this book focuses especially on depictions of the future that include but move beyond dystopias and offer us ways to imagine reinventing ourselves and our perspectives especially our links to and views of new environments there are ecocritical texts that deal with space place and science fiction criticism that deals with dystopias but there is no other collection that focuses on the intersection of the two

three years with the rat is a mind warping thriller that will make you question reality as you conceive of it one of the most assured and haunting debuts i ve read in recent memory blake crouch author of dark matter after several years of drifting between school and go nowhere jobs a young man is drawn back into the big city of his youth the magnet is his beloved older sister grace always smart and charismatic even when she was rebelling and always his hero now she is a promising graduate student in psychophysics and the center of a group of friends who take little brother into their fold where he finds camaraderie romance and even a decent job but it soon becomes clear that things are not well with grace always acerbic she now veers into sudden rages that are increasingly directed at her adoring boyfriend john who is also her fellow researcher when grace disappears and john shortly thereafter the narrator makes an astonishing discovery in their apartment a box big enough to crawl inside a lab rat and a note that says this is the only way back for us soon he embarks on a mission to discover the truth a pursuit that forces him to question time and space itself and ultimately toward a perilous confrontation at the very limits of imagination this kinetic novel catapults the classic noir plot of a woman gone missing into the twenty first century city where so called reality crashes into speculative science jay hosking s three years with the rat is simultaneously a mind twisting mystery that plays with the very nature of time and the story of a young man who must face the dangerously destructive forces we all carry within ourselves

this horror story brings one of humanity s most potent fears to terrifying life as the after effects of an atomic blast produce a race of super rats who subjugate the common species and then turn on man the author also wrote lair the spear and domain

in the vastness of space the crimes just get bigger and slippery jim digriz the stainless steel rat is the biggest

criminal of them all he can con humans aliens and any number of robots time after time jim is so slippery that all the inter galactic cops can do is make him one of their own
