interior design as a relatively young discipline within the academic world of design has historically been interpreted as an extension of other fine arts narratives exist but they all too often treat interior design as a function of architecture or display rather than experience an independent interior design theory is virtually

nonexistent professor lois weinthal envisions a future where interior design is treated with parity to architecture and industrial design a future with a new interior a reader for architects and interior designers weinthal has carefully curated a collection of forty eight essays that will form the foundation of interior design theory and shape future interior space her introductory essays illuminate each source prefacing and directing discussion of the material as it relates to interior design theory alluding to le corbusier s classic text she has organized this material into a framework that inspires conversation marking a break with the past and forming a new vocabulary for the discourse contributions to the book s eight sections include essays by david batchelor aaron betsky petra blaisse andrew blauvelt beatriz colomina le corbusier robin evans adolf loos ellen lupton charlotte perkins gilman michel serres henry urbach wim wenders and mark wigley

interior design on edge explores ways that interiors both constitute and upset our edges whether physical conceptual or psychological imagined implied necessary or discriminatory the essays in this volume explore these questions in history theory and praxis through a focus on different periods cultures and places interior design on edge showcases new scholarship that expands and contests traditional relationships between architecture interiors and the people that use and design them provoking readers to consider the interior differently moving beyond its traditional architectural definition focusing on the concept of interiority considered in a wider sense it draws on interdisciplinary modes of investigation and analysis and reflects the latest theoretical developments in the fields of interior design history and practice with new research from both established and emerging authors this volume will make a valuable contribution to the fields of interior design architecture art and design history cultural history visual culture studies and urban studies

extra ordinary interiors features research articles and visual essays by academics research students and practitioners that demonstrate contemporary modes of criticality and reflection on specific interior environments in ways that expand upon that which is ordinary of the everyday common banal or taken for granted

in a world where life is increasingly defined by the spaces we inhabit understanding interiors is essential to understanding ourselves the interiors theory primer maps the intellectual terrain of interior design and spatial experience introducing readers to key concepts that shape how people occupy interior spaces organized into three parts this book begins with foundational concerns such as place identity materiality and atmosphere and then examines the boundaries and expertise of the discipline before turning to critical and emerging topics like biophilia virtuality and social justice each chapter presents a focused literature review of a major theme in interiors theory supported by key design precedents and suggestions for further reading drawing on a wide range of scholarship the interiors theory primer offers a coherent framework for understanding interiors as a distinct interdisciplinary field deeply embedded in the human

condition accessible to students useful to professionals and provocative for scholars the interiors theory primer argues that the designed environments in which we live work and gather deserve greater attention not only for their aesthetic and functional qualities but also for their powerful role in shaping contemporary life

louise bourgeois 1911 2010 is celebrated today for her sculptures less known are the paintings she produced between her arrival in new york in 1938 and her turn to three dimensional media in 1949 crucial to her artistic practice these early works the focus of this groundbreaking publication show how bourgeois evolved her deeply personal artistic lexicon and how the themes and motifs she explored in her paintings coalesced into symbols of her sculptural practice informed by new archival research and the artist s extensive diaries louise bourgeois paintings explores bourgeois s relationship to the new york art world of the 1940s and her development of a unique pictorial language adding a key element to our understanding of this crucial artist s career

almost immediately after his first appearance in comic books in june 1938 superman began to be adapted to other media the subsequent decades have brought even more adaptations of the man of steel his friends family and enemies in film television comic strip radio novels video games and even a musical the rapid adaptation of the man of steel occurred before the character and storyworld were fully developed on the comic book page allowing the adaptations an unprecedented level of freedom and adaptability the essays in this collection provide specific insight into the practice of adapting superman from comic books to other media and cultural contexts through a variety of methods including social economic and political contexts authors touch on subjects such as the different international receptions to the characters the evolution of both clark kent s character and superman s powers the importance of the radio how the adaptations interact with issues such as racism and cold war paranoia and the role of fan fiction in the franchise by applying a wide range of critical approaches to adaption and superman this collection offers new insights into our popular entertainment and our cultural history

the handbook of interior architecture and design offers a compelling collection of original essays that seek to examine the shifting role of interior architecture and interior design and their importance and meaning within the contemporary world interior architecture and interior design are disciplines that span a complexity of ideas ranging from human behaviour and anthropology to history and the technology of the future approaches to designing the interior are in a constant state of flux reflecting and adapting to the changing systems of history culture and politics it is this process that allows interior design to be used as evidence for identifying patterns of consumption gender identity and social issues the handbook of interior architecture and design provides a pioneering overview of the ideas and arrangements within the two disciplines that make them such important platforms from which to study the way humans interact with the space around them covering a wide range of thought and research the book enables the reader to investigate fully the changing face of interior

architecture and interior design while offering questions about their future trajectory

published to accompany the travelling exhibition opening at the seattle art museum in october 2005
